Value Chain Margin Analysis

Strategic Takeaways

Roast & Brand
Move beyond raw bean sales — roasting and branding capture 3–5× the margin of raw exports.

Specialty Shift
Specialty coffee commands 200%+ premiums. Consumer willingness to pay continues to grow.

Vertical Integration
Farm-to-cup models reduce intermediary costs and create defensible brand equity.

Sustainability Premium
Fair-trade and organic certifications unlock 15–30% price premiums with growing demand.
